Dear Bill:

Enclosed is one copy of each of the schematic wiring drawings for the ES-1 and ET-1 Electrowriter equipment.

Your attention is invited to the patent notice on each drawing and your careful cooperation in this matter will be very much appreciated.

Should you have difficulty in clearing the case of trouble you mentioned on the telephone yesterday, we will be pleased to send a qualified engineer to Washington to assist in the repairs.

Sincerely yours,

25X1

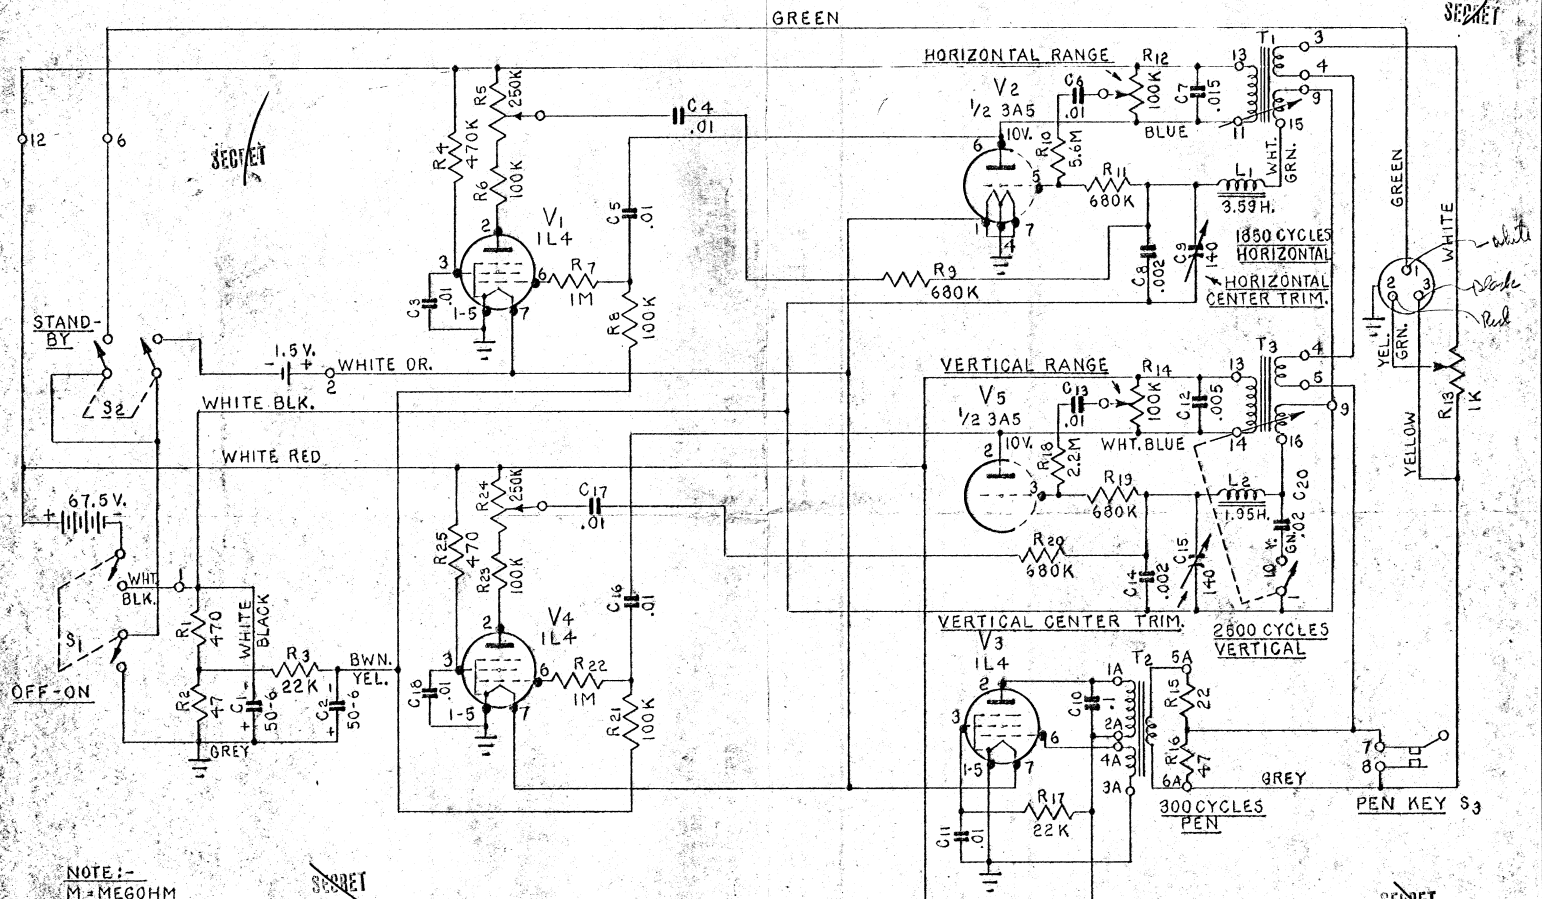

Vice President
